Contractual Conditions for the ExtraEnergy LEV Meetings and Conference 2007

1. Application and Confirmation

Your participation will be confirmed upon our receipt of your signed and completed fax. The exhibition contract becomes effective for the ORGANIZER as soon as payment (see section 3) is received and is effective only if we have not, within one week, informed you that your participation is not possible.

Definition: ExtraEnergy e.V. is, for the purposes of this contract, to be known as the ORGANIZER. Similarly, all participants of the Light Electric Vehicle (LEV) Meetings and Conference are to be known as PARTICIPANTS.

2. General Terms of Contract

The Participant Information and Agenda for the LEV Meetings and Conference posted at www.ExtraEnergy.org are part of the exhibition contract. By his/her signature the PARTICIPANT acknowledges agreement to the conditions related to participation in the LEV Meetings and Conference.

The ORGANIZER is responsible for the arrangement, conception and design of the event. The PARTICIPANT has no authority regarding method of presentation. The ORGANIZER will take the wishes of the PARTICIPANTS into consideration as they are made known to him and do not negatively affect the overall concept of the event.

3. Bill- and Payment Conditions

Following receipt of your application by fax, you will receive by way of confirmation of your application, an invoice for the total cost of your participation, which is due for immediate payment by bank transfer or by credit card.

4. Contract Withdrawal, Indemnification

In the following cases the ORGANIZER can withdraw from the contract:

- a) If there are not enough PARTICIPANTS in the LEV Meetings and Conference.
- b) If the ITRI withdraws its agreement for hosting the event in their facility in Hsinchu, Taiwan.

In these cases the PARTICIPANT will be paid back what has been received on account. Any further claims will not be paid. If the PARTICIPANT does not pay the remainder as agreed in the contract, the ORGANIZER is allowed to withdraw from the contract without any further delay. In this case the PARTICIPANT has no demands on return of his payment on account.

The ORGANIZER carries out the LEV Meetings and Conference for idealistic reasons. Therefore any claims concerning indemnification by the PARTICIPANT towards the ORGANIZER for unsatisfying realization during the event or for damages of exhibited articles are impossible. Claims of indemnification are possible in case of intentional or reckless actions only. The PARTICIPANT can withdraw from the contract if the ORGANIZER will give his agreement.

5. Miscellaneous

Any alterations or abridgements of the contract must, for legal reasons, be submitted in written form. All actions connected with production of the special exhibition will take place at the location of the event. All other activities will be at the main office of the ORGANIZER.
